We are Here and Happy to Help

Safety Source Industrial Inc., an Atlantic Canadian owned and operated Company, specializes in personal protective equipment, industrial safety equipment, and technical services. SSI is committed to ensuring that the right equipment is available, fairly priced, efficiently and effectively serviced and well-understood by our customers.

Safety Source Industrial Inc. was founded to provide a core competency of delivering tailored safety products and programs to the Canadian market. We hope to share our unique and innovative solutions that incorporate our strong existing Supplier Partner relations. We are proud to help Canadian industries and workers understand, evaluate and acquire the equipment they need to do their jobs as safely as possible. Our core group of qualified support staff are here to help you with your needs.

We are building on our existing personal protective equipment product selection and scaling stocking levels based on the current workplace concerns we are all sharing as a global community. We have sourced new products and supply chains across North America in response to the COVID-19 global pandemic. We have continued to operate our business through these difficult times and want everyone to know that **We are Here and Happy to Help.**

Our products include items which are relevant for preparing a safe working environment during the COVID-19 global pandemic, as well as after we have passed through this difficult time. As a Canadian Company, we are focused on demonstrating respect and empathy for everyone while we navigate this issue with the global community. We encourage you to reach out with any questions on how we can assist you now and in the future.
