

The FIRST ANNUAL BIG BURNSIDE CLEAN UP held on Friday October 24th was a huge success, thanks to all of our participants and our sponsors!

As a result of the hard work of 180 Burnside employees, over 250 bags of litter were removed from the streets on Friday. We had many people stop and thank us for cleaning up – we hope you did too. Did you catch the Chamber and GBBA crew on CTV's super hour news? We were hard at work on Windmill Road.

We would like to especially thank the **ALIAN**T crew, who helped us manage our success (we had more bags to collect than we bargained for and Aliant came to our rescue with another truck). We will be sending **ALIAN**T a Tim Horton's Coffee Break as a thank you and a reward as the team who picked up the most trash. Congratulations!

We would also like to thank **Enterprise Rent-A-Car** who generously loaned us a van.

Thank you to **River Breeze** for the delicious burgers. River Breeze delivers here to Burnside once a week. You can place an order online and pick it up right here in the park. For more information and a product list go to: www.riverbreeze.info

Thank you to **Scotsburn** for BBQ beverages.

Thank you to **All Occasions** catering for generously donating their time to flip burgers for us. They were delicious...thanks! www.alloccasionscateringandgiftbaskets.ca.

We were also fortunate enough to have prizes to give to participants at the BBQ from:

RRFB
Conserve Nova Scotia
Dalhousie Eco-Efficiency Centre
HRM
Tim Horton's
Clean Nova Scotia

We have plans to improve the event next year to make it even bigger and better.
We hope to see all of you again next October.

2008 Participants included:

DCL Law

Miller Tire

PCL Consturction

Konica Minolta

Precision Biologic

Office Interiors

Guardian Transfer

Scotia Bank

AC Hunter
