

HRM 20/20 Community Roundtables

February 18, 2000

HRM 20/20, a community-based project which asks citizens to get involved and express themselves about the future of our area, was publicly launched this week. The goal of HRM 20/20 is to generate discussion and excitement from the people in the Metropolitan Halifax area about their vision of our community.

Community workshops are scheduled from February 21st to March 21st. A schedule of roundtables in your area appears below.

Citizens are also encouraged to check out the HRM 20/20 website, which will provide further information on this public consultation and on how to obtain a project workbook. The website address is: www.hrm2020.com, or call HRM-2020 (476-2020) to receive a workbook.
