2021-2022 Municipal Pre-Budget Submission

While the 2020-2021 budget outlined many issues and projects that aligned with our Strategic Plan there are still areas of concern for the 2021-2022 budget. This submission highlights the top priorities of the Halifax Chamber of Commerce's membership of over 1,700 businesses that employ over 65,000 people, focusing on mitigating the impacts of COVID-19. Our recommendations are based on many conversations with our members over the past year and work on balancing the needs of the Halifax business community with that of the province.
